

My Possibilities: HIPster Success Stories

We want to thank you for choosing My Possibilities for helping your family member become more self sufficient.

As you know we are working to increase our enrollment. One of the most compelling aspects of this is the wonderful stories we share with families about the amazing progress the HIPsters are making.

We would like to create written stories about how the HIPsters and you have been helped by My Possibilities.

Would you please share your story below, by answering a few questions? All stories will be approved by you before use. HIPster will only be identified by first name.

1. HIPster Name:
2. HIPster diagnosis and age today:
3. What was your HIPster doing before My Possibilities? What challenges did you face?
4. How did you discover My Possibilities?
5. How has My Possibilities benefited your HIPster? Please share any significant achievements.
6. What city and school district do you live in?
7. Please provide the best way to contact you for more information (name and email or phone number).
